Green Mountain United Way

United
Way

Serving Caledonia, Essex, Orange,
Orleans and Washington counties
of Vermont

ADVANCING THE COMMON GOOD

Green Mountain United Way, a non-profit organization, is committed to making our local communities stronger by collaborating with other non-profit organizations, government and educational agencies, and faith-based groups, all working toward advancing the common good in the action areas of

Economy

We initiate programs that sharpen financial literacy, increase income, build savings, and gain and sustain assets.

Health

We partner with area hospitals and health agencies to form health coalitions and establish community programs in the areas of fitness, nutrition and healthy life styles.

www.gmunitedway.org

Education

Children start learning right from birth and our opportunity is to help parents, grandparents and other caregivers make certain that our children are ready to start school.

Community Needs

Our neighbors benefit from our partnerships with local Food and Fuel Coalitions, which help people secure nutritious foods, weatherize their homes and find safe ways to stay warm. We also partner with the national FamilyWize program to provide discount prescription drug cards.

Vermont 2-1-1

Vermont 2-1-1 is a program of the United Ways of Vermont, of which Green Mountain United Way is a member. It promotes the health and well being of all people through a statewide information and referral system. For any health and human service question, simply dial 2-1-1. It is a local call from anywhere in Vermont. Or, dial toll free 866-652-4636.
